 - b. allowing said composition to form a dry film on the lips before subjecting the film to insult.
19. (Withdrawn) The method of claim 18 that comprises the additional step of applying a complimentary product comprising a topcoat composition on said dried film where upon applying said complimentary product said film is not disrupted.
20. (Withdrawn) The method of claim 18 wherein said topcoat composition comprises a safe and effective amount of a polymeric vegetable oil emollient.
21. (Withdrawn) The method of claim 18 wherein said topcoat composition comprises a safe and effective amount of a silicone selected from the group consisting of silicone modified fluorinated polymers and modified silicones selected from the group consisting of aminosilicones, carboxy modified silicones, epoxy modified silicones, and mixtures thereof.
